

27th September 2021

Dear Parent/Carer,

OPEN EVENTS FOR PROSPECTIVE STUDENTS AND PARENTS

Flint High School would like to invite you to our virtual open evening. Due to the current situation, we have restricted access to our school site. Therefore, we will unfortunately be unable to hold an open evening for you as we would normally do at the start of the academic year. Instead, we have been working on a virtual open evening which will allow you to hear from some of the staff in the school and get an insight into what you can expect should you choose to send your child to Flint High School next year.

From Monday 27th September 2021, there will be an area on the 'Parents' section of the school's website in the 'transition' tab where you will be able to see:

- A school prospectus.
- A video welcome from some of our students including a collection of short videos introducing each subject your child will study here at Flint High School.
- Messages from students and staff about the transition process.

Going forward, I hope that we will be able to welcome you and the students in to the school later in the academic year. Meanwhile, if you have further enquiries regarding the transition process, please contact Mrs Jamieson, the school's Transition Lead at alison.jamieson@flint.flintshire.sch.uk.

At Flint High School we are very proud of our track record of academic development. Our numbers on roll continue to increase and our 6th Form numbers on roll also continue to grow.

Of course examination success is important but also the happiness of your child is paramount. We strive to make everyone feel welcome and work with each child for them to be able to reach their potential.

We hope that you will take the opportunity to join us on our virtual open evening before making the most important decision of choosing a high school for your child.

I look forward to meeting you.

Yours sincerely,

Mr J Connelly
Headteacher
