Dear Parent/Carer,

Welsh National Tests

During this term, our Year 7, 8 and 9 students will be involved in their online Welsh National Tests. These tests are used as a national measure of literacy and numeracy skills in Wales and you will receive a report of where your child's ability lies within national benchmarks at the end of the year. Students normally take these tests every year up to the end of Year 9 and you will be able to see a historical view of your child's performance and progress. The standardised score we receive for literacy and numeracy contributes to our overall picture of your child's ability and helps us to ensure they are receiving the right support in lessons.

More information can be found at:

<https://hwb.gov.wales/curriculum-for-wales/reading-and-numeracy-assessments/personalised-assessments-information-for-parents-and-carers/>

It is very important your child makes every effort to attend on these days and is punctual for the start of the school day. Each student will sit 2 tests:

- Literacy Reading – 1 hour assessment on reading skills completed online
- Numeracy Procedural – 1 hour assessment on a range of numeracy skills to be completed online
- Numeracy Reasoning – This will not be completed this academic year

The timetable and rooms for the Welsh National Tests can be found overleaf.

We thank you very much for all your support during this year. It makes an enormous difference and we are very proud that your child is with us.

Yours faithfully

W. Overton
Assistant Headteacher
