Dear Parent/Carer

Year 9 Options

I hope you had a lovely Easter break and had some time to look through the options booklet and virtual subject presentations on our school website. If you have not managed to this yet, please remember that the options booklet and all presentations can be found on the pupils section of our website at:

<https://www.flinthighschool.wales/year-9-options.html>

The 3 options columns will be released **week commencing 26<sup>th</sup> April** and students will complete their final options choices online during this week. Option choices will be confirmed by letter shortly after the May half term break. I completely understand that a minority of students will change their minds right up until the start of Year 10 – so please reassure your child that we can be flexible if needed and there is absolutely no need to worry.

As we have held our options evening virtually this year, if you require any further information about a particular subject, please email the relevant teachers below or encourage your child to talk to the relevant teacher in school.
